ORTHOPEDIC WORKSHOP ON

BASIC TECHNIQUES FOR LONG BONE FRACTURE MANAGEMENT IN DOGS AND CATS

TUTORS PROFILE

PROF. DR. THOTTA NARASIMHALU GANESH

Dr. Thotta Narasimhalu Ganesh graduated from Madras Veterinary College (MVC), India in the year 1978 and obtained B.V.Sc degree from Tamil Nadu Agricultural University (TNAU). He joined his alma mater in 1980 as an academic member of staff. As a result of his passion for surgery, he pursued masters and completed M.V.Sc degree in Veterinary Surgery from TNAU in 1983. In the years to follow, he completed the doctorate programme in 1992 and earned his PhD degree in Veterinary Surgery from Tamil Nadu Veterinary and Animal Sciences University (TANUVAS). His enthusiasm towards orthopaedics led him to select research topics in Small Animal Orthopaedics (such as) femoral head prosthesis for dogs and bone grafting to treat bone defects in dogs for his masters and PhD programs respectively. Furthermore, he persisted his career in Small Animal Orthopaedics by undergoing an AO (Association of

Osteosynthesis) fellowship training under Dr. John E.F.Houlton, the Chief small animal orthopaedic surgeon at Cambridge Veterinary School, UK in the year 1996. Dr. Ganesh was also responsible for many postgraduate research works on orthopaedics and introduced new techniques in orthopaedics at the MVC Teaching Hospital during his time there. Dr. Ganesh mastered his orthopaedic surgical skills further by enduring an advanced training in Small Animal Orthopaedics under the mentorship of Dr.Charles DeCamp, the Specialist small animal orthopaedic surgeon at the College of Veterinary Medicine, Michigan State University, USA during the year 2007.

Dr. Ganesh served Madras Veterinary College, TANUVAS in different roles from 1980 to 2015 and was the Unit officer for Small Animal Orthopaedic Unit for many years. He was Professor and Head, for the Department of Veterinary Surgery and Radiology, Madras Veterinary College and the Director of Clinics, Tamil Nadu Veterinary and Animal Sciences University, Chennai. He has a plethora of global exposure in the

field of teaching and surgery. Dr. Ganesh has worked at 'The University of the West Indies - School of Veterinary Medicine' in Trinidad and Tobago for five years during the period 2008-2013 as the Senior Lecturer in Veterinary Surgery and also as the Specialist Small Animal Orthopaedic Surgeon, at the Veterinary Teaching Hospital. In the recent past, he served Addis Ababa University-College of Veterinary Medicine and Agriculture, Ethiopia as Professor of Veterinary Surgery between November 2016 and April 2017.

Dr. Ganesh has published about 85 papers in peer-reviewed journals and mentored 17 masters and 1 PhD student in Veterinary Surgery as an advisor. He has travelled around the globe to attend conferences for paper presentations and also as a guest speaker.

Since June 2017, Dr.Ganesh is serving the University Malaysia Kelantan-Faculty of Veterinary Medicine as Professor.
